DEDICATION

This year's Town Report is dedicated to the memory of Amy Joan Burrill, retired Librarian, who passed away on January 8th following an extended battle with diabetes. A resident of Monroe since August of 1946, Joan, as she was generally known, served the community in many capacities. Prior to

appointment as Librarian, she was a member of the Library Board of Trustees, and was a substitute Postal Clerk for 35 years. During her period as Librarian, she attended summer school classes at UNH over a four year period to attain accreditation. In addition to 19 years as the Town's Librarian, she served as Sunday School Superintendent, a member and past President of the local PTF organization, the founder and long time Leader of Tops NH #76. Joan was State Queen runner-up for Tops in 1974.

Joan held a St. Johnsbury Academy Field House membership since the facility opened in 1986, swam almost daily until her health prevented her from doing so, and she greatly enjoyed the friendship and fellowship of the other members and the congenial Field House Staff.

Joan was born in the Bronx, N.Y. on May 5, 1926 and attended high school in Mineola, L.I. and was married on June 21, 1944 to US Army Air Force S/Sgt. Larkin H. Burrill. She is survived by her husband of 56 ½ years, a son, Thomas W. Burrill, retired Fire Prevention Officer and City Fire Marshall of the City of Concord, N.H. and a daughter Jean H. Frechette of Peterborough, N.H., also eight grandchildren and one great grand child. Her elder daughter, Beth Arsenault, passed away in 1993.

TODD CHACE	176		
PLANNING BOARD THREE YEAR TERM			
BRUCE CRAIG	174	TOM BEDELL	1
		PENNY KORTE	1

Moderator Merle Jones read the results, declaring the winners. Moderator announced that the elected officers would be sworn in on Tuesday, March 21st at 7:30 P.M. in the Town Clerk's Office.

ARTICLE 2: To see if the Town of Monroe will vote to raise and appropriate the sum of \$470,000.000 (gross budget) for site development, construction and original equipping of a new Municipal Highway and Fire Department Building, situated on real estate owned by and in the town of Monroe, and to authorize the issuance of not more than \$250,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA33) and to authorize the board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon: furthermore, to authorize the withdrawal of \$220,000.00 (principal and interest earned) from the Municipal Highway and Fire Department Building Capital Reserve Fund created for this purpose. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the building project is completed or by December 31, 2001, whichever is sooner, (The Selectmen, Budget and Building Committee recommend this appropriation.) (2/3 ballot vote required) Motion made by Bruce Craig, seconded by Maynard Farr. Bruce Craig, Chairman of this committee gave an explanation of the building project and explained how it would effect the taxes. A ballot vote is required and the polls are required to be open for one hour, with the results being given at 8:45 P.M.. Once all present voted, moderator continued on with meeting, and will return with results at 8:45 P.M..

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand dollars (\$50,000.00) to be added to the Municipal Highway and Fire Department Building Capital Reserve Fund previously established. (Majority vote required) The Selectmen & Budget Committee recommend this appropriation. Motion made by Gary Osborn, seconded by P.J. Blanchard. No discussion. Voice vote in the affirmative, motion passes, article passes.

ARTICLE 4: To see if the Town will vote to discontinue the Grange Hall Fund created for expendable general trust under the provisions of RSA31:19-A, set up for research of a clear title of the Monroe Grange Hall created in 1997. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Majority vote required.) The Selectmen and the Budget Committee recommend this action. Motion made by Denis Ward, seconded by Dick Cinnamond. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 5. To see if the Town will vote to discontinue plowing private driveways in the town of Monroe. (Majority vote required.) Motion made by

Alice Frazer to Pass Over this article, seconded by Glenn Wagner. Voice vote in the affirmative, article passed over.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be added to the Fire Truck Capital Reserve Fund previously established. (Majority vote required.) The Selectmen & Budget Committee recommend this appropriation. Motion made by Dick Cinammond, seconded by Glenn Wagner. Discussion: the question was asked, how much longer before we purchase this truck? Maynard Farr answered that the truck would be purchased in the year 2001, but that we would have to wait another year for delivery. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be added to the Highway Department Truck Capital Reserve Fund previously established. (Majority vote required.) The Selectmen & Budget Committee recommend this appropriation. Motion made by Gerry LaFlamme, seconded by Bob Wormer. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the Town History Fund previously established. (Majority vote required.) The Selectmen & Budget Committee recommend this appropriation. Motion made by Kevin Eckerman, seconded by Dick Cinammond. Discussion: Bill Gilson asked "We already have \$11,000.00, when will it stop?" Moderator asked if a member of the Historical Society could answer that question. Sally Ward answered that it would stop in 2005, when it was intended to be published. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 9. To hear all reports of committees and officers heretofore chosen and pass any vote relating thereto. Motion made by Maynard Farr, seconded by Kevin Eckeman. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 10. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same. This money includes all warrant articles. Motion made by Gerry LaFlamme to raise \$671,043.79, this does not include monies for article 2, seconded by Bob Wormer. Discussion: Gerry LaFlamme explained that there was a \$500.00 difference that what was printed in the town report, this \$500.00 was requested to give to the Senior Meals Site in Barnet. Denis Ward questioned if the amount included the Bond? No, it does not. Bill Gilson asked about money for property evaluation, there is \$30,000.00 in the budget for that. Keith Merchand

money includes all warrant articles. Motion made by Gerry LaFlamme to raise \$671,043.79, this does not include monies for article 2, seconded by Bob Wormer. Discussion: Gerry LaFlamme explained that there was a \$500.00 difference that what was printed in the town report, this \$500.00 was requested to give to the Senior Meals Site in Barnet. Denis Ward questioned if this amount included the Bond? No, it does not. Bill Gilson asked about money for property evaluation, there is \$30,000.00 in the budget for that. Keith Merchand asked if there was money in the budget for private property assessment? Yes, some. Scott Stuart asked if the Selectmen had any idea how much the taxes would go up as a result of our Bond vote and the new school tax? Gerry LaFlamme tried to explain what is happening with the school taxes. Keith Merchand asked if there were plans to replace Malcolm Call as an Assessor? Bob Wormer answered that the Selectmen may be doing it. More discussion. Voice Vote in the affirmative, motion passes, article passed.

ARTICLE 11. To transact any other business that may legally come before said meeting. Sally Ward informed the group that in 1996 a motion was made to establish a Town History Committee, but it was never acted on. She made the motion "To have a committee appointed by the Selectmen", seconded by Kevin Eckerman. Denis Ward asked if he could amend her motion to set a date of April 14, 2000, to have the committee set up? The motion was amended to read for the committee to be set up by April 14, 2000, seconded by Maynard Farr. Voice vote in the affirmative, amendment passes. Voice vote in the affirmative, motion passes, article passed.

David Cowens asked about our recycling program? He was told that the newspaper recycling was not working, really the only thing of any profit to the town was the aluminum cans, everything else we have to pay to dispose of.

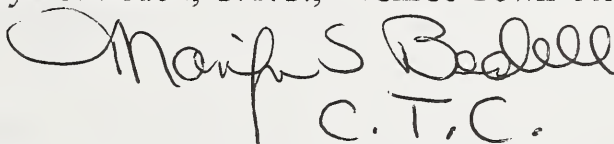

8:46 P.M.: Polls are closed for the Bond vote on Article 2.

YES: 120 NO: 20

A total of 140 votes were cast, a 2/3 majority is required, need 94 votes to Pass. Article 2 passes.

8:53 P.M. Motion made by Maynard Farr to adjourn the 2000 Town Meeting, seconded by Bruce Frazer. Voice vote in the affirmative, motion passes, meeting adjourned.

Respectfully Submitted,
Marilyn S. Bedell, C.T.C., Monroe Town Clerk

Marilyn S. Bedell, C.T.C.

Monroe Town Clerk

TOWN CLERK HOURS

Mondays: 8:30 am – 12 Noon & 4:00 pm – 6:00 pm

Tuesdays: 6:00 pm – 9:00 pm

Fridays: 8:30 am – 12 Noon

And by Appointment.

Although Joyce Cate has retired as Administrative Assistant to the Town of Monroe, she has agreed to stay on as my Deputy Clerk, so you will continue to see her smiling face in the Town Hall, when I am not available.

The Town of Monroe will once again offer a Rabies Clinis in co-operation with Dr. Jill Skochdopole of the Ryegate Small Animal Clinic. We have not yet set a date, but it has always been held in April and most likely will be once again this year. Please watch for advertisements and/or posters at Town Meeting.

LIBRARIAN'S REPORT

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO INVITE YOU TO VISIT YOUR LIBRARY! A NUMBER OF PEOPLE HAVE APPROACHED ME AND MENTIONED THAT THEY HAVE NEVER BEEN TO THE LIBRARY. MAKE THIS ONE OF YOUR GOALS FOR 2001 AND THINK OF ALL THAT MONEY YOU WILL BE SAVING BY BORROWING BOOKS RATHER THAN HAVING TO PURCHASE THEM!

WE HAVE PRESENTED TWO ADULT PROGRAMS THIS PAST YEAR. MARGARET ROWLETT CAME TO SPEAK ABOUT THE BENEFITS AND POSSIBLE DANGERS OF ESSENTIAL OILS. VERMONT AUTHOR, ARCHER MAYOR WAS HERE IN MARCH TO DISCUSS HIS MYSTERY SERIES. BOTH PROGRAMS WERE WELL ATTENDED AND WERE VERY INTERESTING.

THE SUMMER READING PROGRAM FOR 2000 WAS ENTITLED "READING CATS AND DOGS." IN KEEPING WITH THE THEME, A MEMBER OF THE NEW HAMPSHIRE STATE POLICE ENTERTAINED THE CHILDREN WITH THE ANTICS OF BEAR-BEAR, HIS GERMAN SHEPHERD "PARTNER." WE ALL HAD A GREAT TIME WITH THIS THEME AND LOOK FORWARD TO ANOTHER CHALLENGING THEME FOR 2001. WE WELCOME ALL CHILDREN WHO HAVE ATTENDED SCHOOL FOR ONE YEAR. PLEASE PLAN ON MAKING THIS PART OF YOUR SUMMER SCHEDULE!

STORY TIME CONTINUES TO BE HELD ON MONDAY MORNINGS AT 9:00. THIS COMBINED PROGRAM IS FOR BABIES, TODDLERS AND PRESCHOOLERS. IF YOU ARE INTERESTED, PLEASE CALL OR STOP BY THE LIBRARY TO OBTAIN MORE INFORMATION AND A SCHEDULE.

WE WERE SADDENED TO HEAR THAT AMY JOAN BURRILL, THE PRIOR LIBRARIAN, PASSED AWAY. JOAN HELPED ME SO MUCH WHEN I BEGAN HERE. IN TALKING WITH HER, I DISCOVERED THAT SHE WAS PRIMARILY RESPONSIBLE FOR BUILDING THE NONFICTION COLLECTION. JOAN SAID THAT SHE JUST STARTED AT 001 AND, OVER THE YEARS, KEPT ADDING BOOKS OF INTEREST ON EACH TOPIC UNTIL SHE REACHED 999. QUITE AN UNDERTAKING!

I LOOK FORWARD TO SEEING YOU AT THE LIBRARY-WHETHER OLD FRIENDS OR NEW. PLEASE STOP BY!

RESPECTFULLY SUBMITTED,

BEV EVERETT
LIBRARIAN

**ANNUAL REPORT
Town of Monroe
Building Committee
January, 2001**

At the Town Meeting in March, 2000, voters approved the construction budget and authorized the construction of the new Fire/Emergency Services station and Highway Department garage. Site work and foundation construction commenced in June and were substantially completed by September 1st and the St. Johnsbury Academy Technical Services students began actual building construction. The building was framed prior to the first snowfall and students continued their work on the building interior during the winter. The contract for plumbing and heating was awarded and the radiant heating system was installed in the garage floor slab. The heating boilers and the garage roll up doors were installed during the Christmas/New Years' break. Students, upon return, completed the ceiling and wall insulation, assisted in the installation of the plumbing fixtures and completed the electrical wiring.

Construction of the building is on schedule and under budget. While construction by the students may be somewhat slower than hiring a private contractor, the benefit of cost savings and the beneficial training experience more than offset any delays. It is anticipated that the building will be substantially completed by July 1st and ready for occupancy during the summer months. It is also expected that final construction cost will be less than the approved budget of \$470,000.00. While several major building material purchases still need to be made and unanticipated costs may be incurred, it is expected that final construction costs may be as much as \$20,000.00 - \$25,000.00 under budget.

At last years' Town Meeting, we advised the voters that we would prepare a recommendation for a sand/salt shed design and provide a construction budget/cost estimate. The New Building Committee is recommending to the Select Board and the voters that we construct a sand/salt storage building utilizing 2' X 2' X 6' concrete block walls and a trussed roof system covered by a polyethylene fabric. This manmade, high strength plastic roofing material has been used on several sand/salt sheds and agricultural buildings within this local area and have proven to be cost effective and functional. The Committee recommends that the voters approve the funding and construction of a 50' X 80' storage building which will accommodate a one-years' supply of sand/salt.

The Committee recommends that a Town Meeting warrant article be placed before the voters to authorize expenditure of up to an additional \$40,000.00 for this purpose. Funding for the sand/salt shed will come from construction budget funds previously approved by the voters. The current capital reserve fund balance of approximately \$280,000.00 and the authorized borrowing limit of \$250,000.00 will be more than adequate for the building construction costs, including the sand/salt shed. This will mean the town will not need to borrow the full amount of the previously approved credit line.

I would like to thank the voters for their continued support and look forward to a successful project completion during this coming year.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Bruce Craig". The signature is written in dark ink and is positioned above the printed name.

Bruce Craig
Chairman
Building Committee

ANNUAL REPORT FOR MONROE VOLUNTEER FIRE DEPARTMENT FOR 2000

During 2000 Monroe Volunteer Fire Department responded to the following calls:

Fire Alarm Activations	2
False Alarms	2
Smoke coming from building	1
Chimney Fire	1
Motor Vehicle Accidents	9
Mutual Aid: Bath	1
Barnet	13
Haverhill Corner	1
Littleton	2
Ryegate	5
St. Johnsbury	1

This past year has been a busy one for the fire dept. with the building of the new municipal services building and working on specs for a new fire truck in the year 2001. The fire dept. started meeting last April and has spent the last nine months meeting with fire equipment manufacturing representatives and traveling looking at different pieces of apparatus. After carefully looking at all the different options available, the committee took what we felt would best suit the needs of the Town of Monroe for the next 20-30 years and drew up a set of specs for a new fire truck. As of this writing we are awaiting bids from six fire equipment manufacturers who we chose to send bids to. We expect bids to be in the range of \$210,000. and have asked the selectmen to include an article in the warrant to allow the town to spend an amount not to exceed \$210,000 for the purchase of a new fire truck. As of December 31, 2000, there is approximately \$177,000 in the Fire Truck Capital Reserve Fund. This new fire truck would be replacing a 1973 pumper currently in service. The last new fire truck was purchased in 1981.

We appreciate the support we have always received from the voters of Monroe and hope that we can have your support on this warrant article.

Respectfully Submitted,

Maynard Farr

Fire Chief

HELP WANTED

VOLUNTEER FIREFIGHTERS - EMTS

LOOKING FOR VERY SPECIAL PEOPLE

REQUIREMENTS:

- ◆ Willingness to sit in class after working all day
- ◆ To get out of bed at any hour of the night, dress and be at the station in a few minutes.

HOURS: 24 hours a day, seven days a week

PLACE OF EMPLOYMENT: Anywhere someone needs your help.

JOB TITLE: Hose totter, ladder setter, water hauler, firefighter counselor, caregiver, lifesaver.

MUST SHOW: Courage, strength, bravery, heroics, diplomacy, and good judgement.

RATE OF PAY: As much as you can take away in your heart. The truly worthwhile things in life will cost you something.

APPLY today - as you are always needed!

**MONROE VOLUNTEER FIRE DEPARTMENT
MONROE FAST SQUAD**

Annual Report of the Monroe F.A.S.T. Squad 01/01/2000 - 12/31/2000

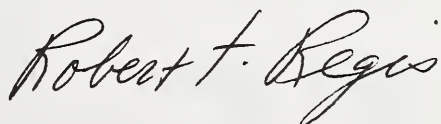

The Monroe F.A.S.T. Squad responded to 53 calls in 2000. This is up from the 1999 total of 30. The calls are categorized as follows:

44	Medical Emergencies
0	Trauma Calls
9	Motor Vehicle Accidents
0	Assists to Fire Department

Our numbers will increase to ten this year. One member and his family moved into town earlier this year, while two new EMT's successfully completed the initial training course and passed the written and practical exams necessary to acquire a two-year certification. We're always looking for new EMT's to join our team. Remember that the F.A.S.T. Squad pays all training and certification fees for active members.

As always, we thank all those who support us in our fund raising activities throughout the year.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Robert T. Regis".

Robert T. Regis, *Squad Chief*

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

January 24, 2001

Selectman
Town Of Monroe
Monroe, NH 03771

I have enclosed the 2000 / 2001 budget numbers for your records. Once again I would like to apologize for the delay in getting this to you. As you will notice we did not meet our expectations of receivables and our payroll went over budget. I have taken steps to correct the shortage, we have secured a loan to cover the shortfall, and hired a person that will be dedicated to receivables. I believe this will work to our advantage and we will not be increasing our per-capita charge this year. The per-capita rate is \$12.50 per person, and based on your population of 751, a total amount of \$9387.50 will be assessed to Monroe in June of 2001. These population figures are based on the most recent figures we have. They could change slightly with the census that was completed in 1999/2000. If you have any questions please do not hesitate to call.

Sincerely,

Bill Mauldin
Director

REPORT OF THE MONROE GARDEN CLUB

THE GREEN THUMB EXCHANGE (AKA MONROE GARDEN CLUB)

The Green Thumb Exchange was started in July, 1997. The intent of the Club, as stated in it's By-Laws, is "To encourage interest in all phases of home gardening and promote better horticultural practices, civic beauty and the conservation of natural resources.

Since it's inception, the Club has endeavored to meet these ideals. During it's regular meetings there have been speakers and experts in various fields. The speakers have brought us new insights and ideas that we are able to apply in our personal gardens and professional gardens, giving new and renewed learning to our members. We welcome and encourage anyone interested to please come and be our Guest at any of our meetings or field trips. Some of the speakers that have joined us this past year were: Mike Dickerman, author and award winning reporter; Lorna Safford, from the "Country Bear" in Littleton; Terri Clothey from "A Different Path" in Littleton; Dale Morris of the National Wild Turkey Federation. Members and guests toured the Green Reaper Gardens in Newbury and the Rocks Estate in Bethlehem.

This past year we have planted and maintained planters and gardens at the Town Hall, Library, Post Office, Clinic, School, Town Park and the North and Village Fire Stations. The Club members do the planting and yearly clean up. The plants are purchased and donated by the Pinkham Farm. The cost of these plants are paid for by the Parks and Recreation Fund.

Regular meetings are held at the Monroe Town Hall on the fourth Wednesday of each month, at 7:00 PM. These meetings are open to everyone. We WELCOME guests and new members.

It is once again a privilege to report to the people of this large Northern Council District 98 towns and four cities spread throughout Coos, Grafton, Carroll, Belknap, and Sullivan Counties.

The constitutional and statutory responsibilities of the Executive Council are within the Executive Branch of your New Hampshire State government. Our role is much like a board of directors of a large company. We are charged with carrying out the laws and budget passed by the New Hampshire House and Senate. The Governor and Council employ 294 Commissioners and Directors to administer over 100 departments and agencies to carry out the details of the laws and budget of your State government. The Council has an overall supervisory role in assisting citizens, business, agencies, towns, cities, and counties in effectively working with State government.

Preparing for the coming two-year term that I have been elected to as one of your public servants, I share with you the following ideas and requests:

- If anyone is interested in making a volunteer contribution of their time and talent on a Board or Commission through the appointment process of the Governor and Council, please contact my office or Kathy Goode, Council Liaison, Governor's Office, State House, Concord, NH 03301, Tel. 271-2121, and ask for the appointment list for 2001. As your Councilor, I am always looking for people to serve on a multitude of Boards and Commissions in your State government.
- The Governor's Advisory Commission on Intermodal Transportation (five Executive Councilors and the Commissioner of Transportation) will be holding hearings around the State on citizen and regional planning commission recommendations for improving our highway system throughout New Hampshire. If you have suggestions on a needed improvement, please send them

COOS COUNTY:

Berlin, Carroll, Clarksville,

Plainfield, Springfield, Sunapee

to your regional planning commission or to my office soon so they may be given consideration.

- The Regional Health Planning District Councils continue to meet and consider major changes in the health maintenance system for citizens both at the local and state levels. Anyone wishing to serve on your region's District Health Council should contact my office or Lori Real, Director of Planning Research at NH Health and Human Services Department, Tel. 271-4235..
- As one of your elected officials, I would urge your town and region to be in constant contact with our New Hampshire Congressional Delegation to let them know of your ideas, concerns and desires. I am interested in promoting projects to send to Senators Smith and Gregg and Congressmen Sununu and Bass. They are effective in their committee assignments and should always have a list from back home in New Hampshire to advance in our nation's Capitol.
- I recommend use of the NH Webster System. It is the official state locator for your New Hampshire State Government at <http://www.state.state.nh.us>. A complete directory of phone numbers and addresses of all state agencies is listed for your convenience. Utilize your local Town/City Library to access the Webster System which is administered and maintained by the New Hampshire State Library.
- My office has available a handy 800 toll-free phone card of organizations for rural areas.
- Always know my office is at your service. Contact me anytime!

December 14, 2000

TO: All Towns and Agencies Using the Grafton County Sheriff's Dept.
Communications Center on a Fee Basis.

FROM: The Grafton County Commissioners

Set forth below is the fee you will be charged by the County of Grafton for dispatch service rendered to you by the Grafton County Communications Center for the calendar year 2001:

Town or Agency: Monroe

Y2001 fee: \$862.50

The Y2001 fee represents a 15% across-the-board increase over the Y2000 fee. We wish to inform you that the current operating budget of the Communications Center is \$81,500 more than last year's. In addition, the Communications Center will be participating in a major capital improvement project, which will furnish the Center with modern radio and computer equipment. This project, being funded in part by the County, will provide the user towns and agencies with enhanced, effective, and professional emergency communications service. The anticipated changes in technology will necessitate a reconsideration of the method by which dispatch fees have been computed in the past to ensure a fair and equitable solution for all of us.

If you have any questions regarding the fee charged or the communications system overall, please contact the Sheriff's Director of Communications Thomas Andross at (603) 787-6911 or e-mail:

tandross@grafftoncountysheriff.net

Sincerely,

GRAFTON COUNTY COMMISSIONERS

UNH COOPERATIVE EXTENSION--GRAFTON COUNTY OFFICE--2000 ANNUAL REPORT

Our mission: UNH cooperative Extension provides residents of Grafton County with researched-based education and information enhancing their ability to make informed decisions that strengthen youth and families and communities, sustain natural resources and improve the economy.

UNH Cooperative Extension is a unique partnership among the Federal, State and County Governments who provide the funding and support for this educational outreach component of the University of New Hampshire. With an Extension Office in each New Hampshire county and campus-based subject matter specialists we serve the entire state.

Our education programs are designed to respond to the local needs of county residents through the direction and support of a volunteer advisory council. Our current programs focus on:

- ▶ Dairy and Pasture Management
- ▶ Agriculture Profitability and Nutrient Management
- ▶ Forest & Wildlife Habitat Management and Stewardship
- ▶ Nutrition, Food Safety, Parenting Education and Family Financial Management
- ▶ 4H Club and Volunteer Management that promotes Positive Youth Development
- ▶ Water Quality Education for communities, landowners and citizens
- ▶ Family Lifeskills Program (LEAP)
- ▶ After-school Programs

The Extension Staff works out of our North Haverhill office in the Grafton County Courthouse. We travel all over the county. Other grant-funded staff members provide programs through satellite offices in Plymouth, Littleton and Lebanon. Information and education are presented through phone calls, farm/office/home/agency visits, the media, workshops and educational series. Volunteers help expand our efforts through the Master Gardeners Program, 4H Clubs, Parenting Education Volunteers and the Coverts Project. Our work is supported by an office staff of three. Early in 2000 UNH Cooperative Extension opened a toll-free Info Line staffed by trained volunteers to answer many consumer questions. Citizens can access this line Mondays through Fridays from 9AM to 2PM at 1-877-398-4769.

Here are some ways that local residents benefitted from the work of Cooperative Extension:

- Residents in your town receive our bi-monthly newsletter providing the latest research findings.
- Hundreds of families with young children receive monthly newsletters helping parents understand the crucial first years of life.
- Families with limited resources have access to nutrition and financial education to help them stretch their food dollars, thereby providing a more balanced diet for their young children.
- Other families participated in the many educational workshops that help them to purchase and prepare nutritious foods, stretch their monthly budget and cope with raising children in an ever-changing world.
- Local farmers participated in agricultural practices that reduced the runoff from fields thereby continuing to keep our waterways clean.
- Research on soils and nitrates has reduced the level of commercial fertilizers being applied to farm lands thereby reducing costs for crop production.
- An educational kit "Preserving Rural Character Through Agriculture" developed by the NH Coalition for Sustaining Agriculture was distributed throughout the state and country.
- Students at a regional high school participated in a comprehensive survey. The results were shared with the community, service agencies and their parents.

- Another town participated in a two-day Community Profile process to help local citizens look at the issues affecting them and make plans for the future.
- Food service workers throughout the county participated in food safety programs to make sure that the food they serve is safe for everyone to eat.
- Hundreds of children and volunteers participate in 4H activities each year that include; dairy, horse, working steer, arts and crafts, science and technology, food preparation, nutrition, public speaking, shooting sports and clothing construction projects.
- The Fourteenth Annual Conservation Field Day provided more than three hundred fifth grade students with a chance to tour the county farm and learn about conservation issues.
- Landowners who were impacted by the Ice Storm of 1998 were able to benefit from programs designed to reduce the financial and environmental impacts of that event.
- Agricultural businesses received help with business plans, marketing, computer usage and crop diversification.
- Educational workshops on land use, current use, wildlife management and tree farm production helped many landowners care for their land and their environment.
- A water testing lab was established at a local high school to work with communities and individuals to test surface waters.
- Individuals moving from welfare to work participated in an intensive three-week program that prepared them for employment and the challenges of working families.
- Cooperative Extension staff members served as resources to residents and agencies throughout the county.
- By collaborating with many county, state and federal agencies we were able to multiply our efforts.

Here in Grafton County the office is located on Route 10 in North Haverhill in the Grafton County Courthouse. We are open from 8 AM until 4 PM Monday through Friday.

You can reach us: by phone-(603)787-6944; fax-(603)787-2009; email grafton@ceunhce.unh.edu, at our office in North Haverhill; or through our UNHCE Web site <http://ceinfo.unh.edu>.

Board of Selectman
Town of Monroe
PO Box 63 50 Main St
Monroe, NH 03771

December 21, 2000

Dear Selectman,

As the budget season is well underway and as town meeting approaches, towns are requesting the North Country Council annual report and the statement of the 2001 annual dues.

Your town's dues each year vary based on the latest population numbers received from the Office of State Planning and on the latest valuation numbers received from the Department of Revenue Administration. Each year we compute your dues based on the latest valuation and population numbers. If you would like details on the formula used please give us a call.

This year's computation of Monroe's dues is \$738.79. (Invoice attached)

I have also attached North Country Councils Annual Report for 2000. We hope you will include this in your town report and that it gives you an understanding of the programs and projects that North Country Council is working on. Your dues are used to support these programs and to provide a match for the state and federal funds that we receive for these activities. Without your support many of these programs would not be possible. We hope we can continue to count on your support and that you will utilize our services and participate in the many projects that we are involved with in the North Country.

As the new Executive Director I hope to be visiting with and meeting all of you. We have 51 communities in our region, and personally getting out to see all of you will take some time. I do expect, however, that a member of the North Country Council staff will in your community a number of times during the course of the year. If any of you would like to get together with me sooner, rather than later, please give me a call and I will arrange to come to one of your select board meetings as soon as I possibly can.

I expect that the year 2001 will be a very productive and busy year and hope that we can provide the services and programs that all of our communities are in need of.

Again, thank you for your support.

Sincerely,

Michael J. King
Executive Director

NORTH COUNTRY COUNCIL ANNUAL REPORT 2000

The year 2000 has been a year of change for North Country Council. After 10 years as the Executive Director, Preston Gilbert left North Country Council to take a position at Syracuse University. Replacing Preston as the Executive Director is Michael King who had been the Operations Manager and Controller for the Council. Additional changes included the hiring of Blake Cullimore as Regional Planner and the hiring of Stacey Wyvill as Community Planner.

We continued to complete a number of local and regional projects for all of our 51 communities throughout the region. A summary of some of those projects is as follows:

Transportation:

- Reviewed, and submitted to the Department of Transportation 27 transportation enhancement projects for the North Country.
- Began the coordination of the Route 2 Corridor Planning Study with the communities along Route 2.
- Received funding from the NHDOT to begin an I93/18/302 planning and research project.
- Participated with the NHDOT and member communities in the development of a regional bike path map (still in progress).
- Provided technical transportation assistance to the majority of the communities in our region.
- Coordinated the North Country Transportation Committee.
- Conducted 135 traffic counts in 41 communities.

Economic Development:

- Submitted and received federal funding for two major public works projects (The Plymouth Green Street project, and the Mountain View Hotel project).
- Coordinated the North Country District Economic Development Committee.
- Coordinated and published the results of a region wide survey of business and workers in the North Country.
- Published the Living Wage Study for the North Country.
- Updated the Comprehensive Economic Development Strategy (CEDS) for the region.

Community/Regional Planning:

- Provided technical assistance to 28 towns throughout the region.
- Updated seven master plans and zoning ordinances for member communities.
- Coordinated the Law Lecture Series for the Office of State Planning.
- Coordinated and project managed the American Heritage River project. This is a project sponsored by EDA to develop best management practices for land use and development along the Connecticut River.
- Performed a town wide inventory of junkyards for one of our member communities.

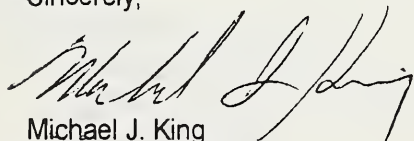

Environmental Planning:

- Provided technical assistance to over 34 communities in the area of solid waste and hazardous waste management.
- Served on the Governors Solid Waste Task Force.
- Coordinated the Household Hazardous Waste Management collections for 32 communities.
- Managed an EPA project to increase recycling in the hospitality industry.
- Managed a source water protection program for the Department of Environmental Services, which developed methods to help in the prevention of surface intake contamination.
- Developed a non-point source pollution education program for a number of our communities.
- Provided technical assistance in the National Flood Insurance Program throughout the region.

Many of these programs will continue into the year 2001. We continue to enhance our staff capacity and will be looking to provide additional technical assistance and planning support to all our communities. Major programs for the year 2001 will be the fourth biennial Transportation Improvement Program (TIP) update, the submission of two new major economic development funding requests (maybe more), an increase in assistance to communities updating their master plans and zoning ordinances with an emphasis on some of the new zoning challenges we are facing (e.g. cell towers), the publication of a regional plan, and the continued assistance of solid waste management with an emphasis on conducting town audits on their solid waste management practices.

Our overall goal, however, remains the same: to provide support and leadership to the region, its governments, businesses and citizens.

Sincerely,

Michael J. King
Executive Director

November 20, 2000

Town of Monroe
Board of Selectmen
PO Box 63
Monroe, NH 03771

Dear Board of Selectmen:

North Country Council has started the planning process for the 2001 Household Hazardous Waste Collection. The types of materials that can be disposed of at these collections include oil-based paints, thinners, solvents, insecticides & pesticides, cleaning supplies etc. The collection will be held at the Littleton Fire Station on West Main Street.

The amount that the town of Monroe would need to appropriate in order to participate in the one-day collection would be \$757.00 (one dollar per capita based on 1996 OSP estimates). Grant money is available through the New Hampshire Department of Environmental Services and can result up to an additional \$.25 per capita.

Please return the enclosed letter of intent to let NCC know whether Monroe plans to take part in this program. Signing the letter does not commit your town to this program; we fully understand that budgets must pass a town meeting vote and that all of the best-laid plans can change in March. However, this will enable us to have an approximate count of towns that wish to participate and monies available.

If you have any questions feel free to call me at 444-6303. Thank you for your attention to this matter.

Sincerely,

Dan Woods
Solid Waste Coordinator

**TOWN MEETING WARRANT
THE STATE OF NEW HAMPSHIRE**

THE POLLS WILL BE OPEN FROM 12 NOON TO 6:00 P.M.

To the inhabitants of the Town of Monroe, in the county of Grafton in said state, qualified to vote in Town Affairs: You are hereby notified to meet at Monroe Town Hall in said Monroe on Tuesday, the 13th (Thirteenth) day of March, next at 7:00 of the clock in the P.M. to act upon the following subjects: With the School business meeting preceding Town business meeting:

1. To choose all necessary Town Officers for the year ensuing. (By Ballot)
2. To see if the Town will vote to raise and appropriate the sum of Forty thousand dollars (\$40,000.00) (Gross Budget) for the purpose of constructing a salt and sand shed at the new Municipal Highway and Fire Department building site, and to authorize the Board of Selectmen to withdraw \$40,000.00 (principle and interest) from the Municipal Highway and Fire Department Building Capital Reserve Fund created for this propose. (Majority vote required). The Selectmen, Building Committee and Budget Committee recommend this appropriation.
3. To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000.00) to be added to the Fire Truck Capital Reserve Fund previously established. (Majority Vote Required). The Selectmen & Budget Committee recommend this appropriation.
4. To see if the Town will vote to appropriate \$210,000 (principle and interest) from the Fire Truck Capital Reserve fund previously established to purchase a new fire truck. The Selectmen & Budget Committee recommend this action and appropriation
5. To see if the Town will vote to establish a Property Reevaluation Capital Reserve Fund and raise and appropriate the sum of ten thousand dollars (\$10,000.00) for the purpose of conducting a property reevaluation of all properties in the Town.(Majority Vote Required).The

expected three year cost of this reevaluation is approximately \$30,000. The Selectmen & Budget Committee recommend this appropriation.

- 6. To see if the Town will vote to have the position of Road Agent elected by the voters of the town. Petition Warrant

- 7. To see if the Town will vote to raise and appropriate the sum of five thousand (\$5,000.000) to be added to the Highway Department Truck Capital Reserve Fund previously established. (Majority Vote Required)The Selectmen & Budget Committee recommend this appropriation.

- 8. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the Town History Fund previously established. (Majority Vote Required) The Selectmen & Budget Committee recommend this appropriation.

- 9. To hear all reports of committees and officers heretofore chosen and pass any vote relating thereto.

- 10. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same. This money includes all warrant articles.

November 2000

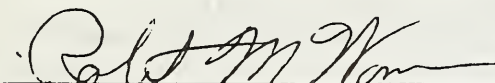

The Town of Monroe plans to participate in the 2001 Household Hazardous Waste collection being planned by North Country Council. We understand that we will have to appropriate the sum of **\$ 757.00** in order to participate and will either include that amount in our annual operating budget or prepare a warrant article to raise the money as a separate line item at Town Meeting.

Tri-County Community Action Program is a private, non-profit agency which is requesting, at your 2001 Town Meeting, \$1,300 in funding from the Town of Monroe to help support its Community Contact Division.

Community Contact has provided 39 direct energy services for Monroe's citizens and certified 16 fuel assistance benefits, 8 being elderly and 5 who are handicapped. The total Fuel Assistance Benefits for Monroe CAP clients this year totals \$11,220. Emergency food was provided for 75 of your residents. Homeless funds were provided for one family's electric disconnect at \$83.83. Project Care provided \$150 in energy assistance for another needy Monroe family.

We provided referrals and advocacy for Monroe clients, gave crisis assistance and case management, provided budget counseling, and also shared numerous information and referral resources in the areas of housing, energy, nutrition, education, legal, health and related services.

**TRI-COUNTY COMMUNITY ACTION HAS SPENT \$11,463.83
ON MONROE CITIZENS BETWEEN JULY 1, 1999 AND JULY 30, 2000.**

Community Contact provides these and other necessary services for the less fortunate citizens in our communities. We are depending upon funding from your town and neighboring communities county-wide. The local funds are combined with the Community Services Block Grant, Fuel Assistance and NH Emergency Shelter Grant, Homeless Programs and FEMA. We also are the conduit through which the USDA Surplus Food gets distributed to the food pantries throughout Grafton County in order to serve our residents.

We appreciate the Town of Monroe's support and cooperation in the past and look forward to continuing our partnership to provide essential services to your residents. Please feel free to call me if you should have any questions, at 444-6653.

Very truly yours,

Cecilia Vistica

American Red Cross

September 6, 2000

Board of Selectmen
Town of Monroe
PO Box 63
Monroe, NH 03771

Dear Friends,

The Board of director of the Greater White Mountain Chapter of the American Red Cross respectfully requests your consideration of an appropriation in your town's next fiscal year annual budget to help support services provided by the American Red Cross.

We request support from your town at the rate of \$.40 (forty cents) per resident. The rate we request has not changed since 1992, even though we have seen a rise in the cost for our services.

As most of us know by now, the mission of the Red Cross is to help prevent, prepare for, and respond to emergencies. This includes providing disaster relief services, and Red Cross volunteers are trained to coordinate and provide for the basic human needs of disaster victims, 24 hours a day, 365 days a year.

It continues to amaze me at how this small staff and dedicated volunteers can handle so many disasters each year. In spite of our efforts to educate and train our neighbors, this number seems to increase every year. The following will give you a little insight to the Red Cross story.

When fire strikes a neighbor and the family is faced with the loss of everything they own, you can rely on the Red Cross to be on the scene when they are asked to be. Direct emergency assistance includes vouchers for food , clothing, medicine, emergency shelter, emergency home repairs and basic household necessities; thorough damage assessments and building repair estimates: clean-up kits for use by the families to re-enter homes and begin recovery: and emergency mental health counseling. In addition, Red Cross disaster volunteers work as a liaison between and among other non-profit human service organizations on behalf of disaster victims to coordinate other identified needs such as fuel assistance, emergency care for pets, donations of needed goods and services. All direct assistance from the Red Cross is based on verified disaster-caused needs. **We never send a bill for these services—ever— no matter how costly, or how long we must stay on the scene of a disaster.**

Greater White Mountain Chapter

21 Lyford St., Laconia NH 03246-2743 • Tel. 603/524-5414; 1-800-834-1501 • Fax 603/524-1705

The Red Cross also serves as the official communication link between active members of the military and their families, relaying messages regarding birth, death, and serious illness. This service is provided 24 hours a day, 365 days a year, around the world, without the benefit of any federal or state government funding. Remember "We'll be there, because help can't wait."

Preparing for emergencies is a vital part of the Red Cross mission, and it is provided through various health and safety training courses. These include first aid, Cardio Pulmonary Resuscitation (CPR), lifeguard training, water safety, swimming lessons, and HIV/AIDS education. New this year are training modules for the workplace, which include first aid, CPR and Automatic External Defibrillation (AED), plus training on stress management, back injuries and preventing disease transmission. Last year 13,326 individuals enrolled in at least one course and 11,482 certificates were issued to members of the communities we serve, who successfully completed courses.

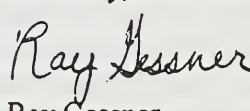

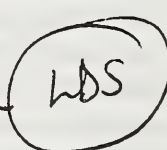

The Greater White Mountain chapter provides these services to more than 50 communities in its jurisdiction, which covers more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding; we are a non-profit organization that depends on charitable gifts of time and money from the American people in order to provide our services. We are very proud to emphasize that 92 cents of every dollar goes toward direct service.

An appropriation from your town will help to make sure that the Red Cross can be there in times of tragedy, crisis, and disaster.

Thank you all for your consideration of this request. Please feel free to contact me with any questions you may have.

Sincerely,

Ray Gessner

Member Board of Directors
Disaster Services Chairman

P.S. We will gladly forward a copy of this year's annual report as soon as they become available. Enclosed is a brochure of our programs and services. If your office requires additional information, please let us know as soon as possible. Thank you.

January 9, 2001

Board of Selectmen
Town of Monroe
PO Box 63
New Hampshire 03771

Dear Members of the Board:

It certainly has been a very exciting year at Cottage Hospital. Over the past year we saw the completion of the Rehab Building housing PT, OT, Podiatry and Orthopedics, and most recently Cardiac Rehab. We also converted to a new computer system that will provide us with better management information, as well as networked clinical information for our physicians and other healthcare professionals.

This year Cottage Hospital did finish the year with a small loss from operations. This was primarily the result of the federal cuts in healthcare reimbursements. We will be addressing this small loss from operations this year.

At Cottage Hospital we are all very proud of the personal care that we are able to give to our patients. Time and time again, we hear from patients and family members about the outstanding care they have received while in our care.

We know our communities are supportive of our institution, and we are extremely grateful for the financial support that our area towns have provided over the years. Although funds are always needed at Cottage Hospital, we know there are many worthy organizations also asking for money this year. Therefore, the Cottage Hospital Board of Trustees has decided NOT to ask the town of Monroe for financial support for the seventh consecutive year. We thank you for your continued support and pledge to continue to do our best to provide you with the best healthcare possible.

We will appreciate your including this message in your 2000 Annual Report and we will forward you our 2000 Annual Report as soon as it is available.

Best wishes for a healthy year.

Sincerely,

Reginald J. Lavoie
Administrator

ANNUAL REPORT 2000 CONNECTICUT RIVER JOINT COMMISSIONS

This year the Connecticut River Joint Commissions have looked at a number of river-related issues that could affect the Town of Monroe, issues as wide-ranging as toxins in fish tissue to telecommunications towers in the sky. Appointed by the legislatures of New Hampshire and Vermont to guide growth and development in the watershed of the Connecticut River, the CRJC are advisory and have no regulatory powers, preferring instead to ensure greater public involvement in decisions that affect the river and its valley.

Following up on the widespread public concern surrounding riverbank erosion, we have devised a way to prioritize erosion sites for restoration and convened a technical team to evaluate the top sites identified by the county conservation districts on the Connecticut River mainstem. We are preparing to seek funding to restore several of the top priority sites next summer.

This year we created a set of informational fact sheets to help landowners and communities learn more about riparian buffers, the stream side vegetation which is so important to protect against bank erosion and purify stream water. Copies are being distributed to all towns in the watershed. This material and more is free and also available on our web site: www.crjc.org.

We continue to work to bring the attention of federal and state agencies to the *Connecticut River Corridor Management Plan*, to give local people new influence in the decisions of their government when it comes to their river. For example, our local subcommittees called for better information on the possible toxicity of fish tissue, which led this summer to an investigation of the river's fish by all four Connecticut River states, the first such river-long study in the country. We encourage towns to look at adopting the *River Plan* into their town's master plan.

Each of our five local river subcommittees is an active voice for river issues in its region. We also keep in touch through our newsletter, *River Valley News*.

The CRJC support efforts to safeguard natural and historic assets of the valley, and are working with valley businesses and the states of NH & VT to strengthen the local base for tourism through visitor centers in "waypoint communities" along the Connecticut River Scenic Byway. We are providing staff and coordination for the Byway effort.

In order to help represent the interests of valley communities in the Fifteen Mile Falls negotiations, we have been an active participant and stakeholder for the last five years, and are advising the states on river flow issues.

With the support of the four Senators from NH and VT, we are working hard to reinstate our Partnership Program, which for eight years provided funds for locally inspired projects throughout the watershed.

Our monthly meetings focus public attention on a wide range of topics. Meeting topics in 2000 included mercury and pollution by other heavy metals, new opportunities for rail in the river valley, boating issues, telecommunications towers, and a possible new Conservation Reserve Enhancement Program for Connecticut River Valley farmers. We welcome the public to our meetings, held on the last Monday of each month in various locations around the river valley.

ANNUAL REPORT - 2000

In March, the Subcommittee sponsored a major public forum on the fisheries of the Connecticut River in our area. We asked the state biologists from VT & NH to report to the public about the current status of fisheries and their management on the mainstem, and the US Fish & Wildlife Service to explain the new flow regimes agreed upon for Fifteen Mile Falls. PG&E Gen described plans for new river-related exhibits at their visitor centers that we helped design.

The Subcommittee also advised the Connecticut River Joint Commissions on new riparian buffer fact sheets for landowners and towns. This free information is useful for anyone whose property lies on water, from a small brook to the Connecticut River itself. It is now available from subcommittee members, the conservation district, Cooperative Extension, and the town library. Retaining natural vegetation along the shoreline is the most effective way landowners can help protect both their riverbanks and water quality.

The Subcommittee has continued to provide information and assistance to the states, towns, and local landowners on projects and problems on or near the river, including riverbank erosion, recreation problems, bridge and road repairs, and possible public primitive canoe campsites on the river. We also advised the states of NH & VT, the Environmental Protection Agency, and CRJC on a study of the health of river sediments. We advised CRJC on the newest kind of development on the horizon, telecommunications towers. Our report prompted CRJC to hold a river-wide meeting on this subject to advise towns how to guide this development so that it provides the region with good communications without interfering with the beauty of the river landscape.

Towns in our region are reviewing the many tools and recommendations we have provided in the *Connecticut River Corridor Management Plan*. Many communities along the river have now adopted the plan, and a number are actively moving to incorporate its recommendations as they update their existing town plans and revise their zoning. We are keeping informed about the relicensing of the Fifteen Mile Falls hydro stations, noting that the Settlement Agreement includes all of the recommendations we made in our *Plan*. The town library and town clerk's office have a copy of the plan available for review.

The Riverbend Subcommittee is advisory and has no regulatory authority. The public is welcome to participate in our meetings, at the Littleton Community House on the fourth Thursday evening of every other month. We invite citizens interested in representing the Town to contact the selectmen. More information, including advice on bank erosion and obtaining permits for work in or near the river, a calendar of meetings, and a summary of the *Connecticut River Corridor Management Plan*, is on the web at www.crjc.org/localaction.htm.

Donna Mitton, Chair
Board of Selectmen
Town of Monroe
PO Box 63
Monroe, NH 03771

Dear Ms. Mitton:

Grafton County Senior Citizens Council, Inc., is requesting an appropriation in the amount of \$550.00 from the Town of Monroe for fiscal year 2001. This represents a per capita amount of \$3.72 for each of the 148 Monroe residents aged 60 and older.

During FY 2000, 36 elders from your community received congregate or home delivered meals through Grafton County Senior Citizens Council, Inc., used our transportation service, the services of our social worker or one or more of our other services designed to support the independence of older adults. GCSCC's cost to provide services for Monroe residents in 2000 was \$5,198.41.

Enclosed is a report detailing services provided to your community during 2000. Should you have questions or concerns about this report or our request, I would be most happy to meet with you to discuss our services in more detail.

We very much appreciate Monroe's support and look forward to serving older individuals in your community this coming year.

Sincerely,

Carol Dustin, ACSW
Executive Director

HOSPICE OF THE LITTLETON AREA 2000 ANNUAL REPORT

Hospice of the Littleton Area has completed its eleventh year of providing volunteer services to residents of area communities. Our service area included the towns of Littleton, Bethlehem, Carroll (Twin Mountain), Franconia, Sugar Hill, Easton, Lisbon, Lyman, Landaff, Monroe, Bath, Woodsville/Haverhill, Woodstock and Lincoln. In 2000 a total of 146 patients and families received services through our many support programs.

Our director and hospice volunteers provided supportive care at home, in hospitals, and in nursing homes to 78 individuals and families coping with the advanced and final stages of illness. Additionally, our Bereavement Care Coordinator worked with a total of 68 clients, 17 of which received direct care. In total our bereavement volunteers provided 588 hours of support bereavement care clients.

Our hospice program also conducted four (4) support groups, which were free of charge and open to the public. The Cancer, Breast Cancer, Bereavement and Prostate Cancer support groups offered a supportive and caring place to share feelings and experiences and guided by trained counselors. Fifty individuals attended these support groups.

Our organization was again able to offer support to two (2) area programs. We continued to provide volunteer services to the North Country Home Health Agency's Medicare Hospice Program and we offered supportive care to patients and families in the Hospice Room of Littleton Regional Hospital. In all our efforts this year the volunteers gave over 4000 hours in support services.

Our Hospice conducts an annual nine (9) week long, eighteen (18) hour Hospice Volunteer Training Program for individuals interested in becoming volunteers or increasing their knowledge about hospice care. Sixteen (16) people completed our 2000 Fall Training Program. We now have over 130 trained volunteers available to support area residents.

In 1999, Hospice successfully obtained grant money that allowed us to start a five (5) day a week van service to Dartmouth Hitchcock Medical Center for cancer patients receiving radiation treatment. In 2000, 50 patients and family members rode.

There is NO CHARGE to patients or families for the services of Hospice of the Littleton Area. This service is made possible largely through the generous support provided by the towns that we serve. Without the support of Town Funding we would be unable to continue to provide services to the many patients and families we serve.

Your support of Hospice of the Littleton Area is greatly appreciated as we enter our eleventh year of providing care to residents of area communities.

Respectfully submitted,
Martha A. Hill
Executive Director

2000 WHITE MOUNTAIN MENTAL HEALTH and DEVELOPMENTAL SERVICES DIRECTOR'S REPORT

Town of Monroe

White Mountain Mental Health and Developmental Services has been a resource for individuals and families in the Town of Monroe for nearly 30 years. During this time, our services have expanded and diversified. During the year 2000, we have continued to grow, as the number of persons needing our services increase. Currently, more than 800 people are receiving our mental health services, and 160 families with a developmentally disabled member obtain some form of assistance, often 24 hour per day housing and vocational support. Ten (10) residents of Monroe received 462 hours of service during the past year.

In these complicated and stressful times, many community members seek assistance from us for a variety of reasons, ranging from debilitating mental illness to situational crises. The support of the Town of Monroe has allowed us to continue to offer services to residents who are uninsured or under-insured.

This year could be called "the year of the child" at our organization. We have been the lead agency and fiscal agent for the CARE-NH grant. This child mental health initiative is an effort to change the system of care for children and families in order to allow children with serious emotional problems to be treated in their own community. Anyone who is a parent or is involved with youth will recognize the urgent need for both prevention and treatment of childhood emotional and behavioral issues. As we move forward, in partnership with the schools, parents, and other human service organizations involved in this project, we are hopeful that we will become a community that responds quickly and effectively to the needs of families with a challenging child.

We have also been able to offer a new array of services to families with a developmentally disabled child. We are working closely with school districts to create a local network of services, which will augment and enrich the opportunities currently available to children with special needs. Our goal is to greatly decrease the need for "institutional" or "group home" care in our region by supporting families and schools to provide "state of the art" services without the need for a child to leave home.

Along with these new efforts, we continue to provide the services which allow individuals with disabilities to function as productive citizens. You may be surprised to realize that *most* of our services are now provided outside of our building. We bring all kinds of practical supports to persons coping with mental illness, including assistance with housing, jobs, and all of the functions of daily living, which can become enormous challenges. Our philosophy is one of hope and recovery: mental illness is usually biologically based and extremely treatable. Persons with a developmental disability can contribute to their community.

As we move into the new year, we are happy to be part of a thriving community that values each of its members and recognizes that every person can contribute to the overall health of the total community.

Thank you for your continued support.

Jane C. Mackay
Area Director

November 9, 2000

Selectmen's Office
Attention: Robert Wormer
PO Box 63
Monroe, NH 03771

Dear Selectmen,

North Country Home Health Agency, Inc., (NCHHA) is requesting \$2004.20 the town of Monroe FY 2001 funding. NCHHA has not requested an increase in funding for two years. However, you will note that this request is a 10% increase over the amount requested for FY2000. NCHHA is well aware of the fiscal concerns facing most North Country towns and NCHHA has worked very hard and successfully in this last year to improve efficiencies and remain cost effective even under trying times with the changes in Medicare funding.

The level of funding required to provide subsidized care (free, reduced rate and grant subsidy) has risen steadily over the last three years, and we project that amount to increase in 2001

North Country Home Health Agency is committed to continuing to care for residents of Monroe at home to delay and/or prevent nursing home placements through the provision of quality, appropriate and cost effective home care.

North Country Home Health appreciates the support provided by Monroe for Agency Programs and services. We look forward to hearing from the Selectmen or the Budget Committee. If there are any questions, we are available to meet with either or both groups.

A formal written report of services provided to residents of Monroe will be forwarded to Selectmen as soon as possible after the close of the current calendar year.

Please call me if you need any additional information.

Sincerely,

Gail Jurasek
Executive Director

WendyFaye Hutchinson
Finance Director

Dear Friends:

The West Barnet Senior Mealsite gratefully acknowledges your support this past year. We continue to serve residents of Monroe both on site and through home delivery of meals. We feel this is a thoroughly worthwhile venture.

This year we have found an increase necessary to a suggested price of \$2.50 for our meals due to escalating food costs. If it would be at all possible for you to increase your allotment to us in your budget to \$700, it would be greatly appreciated. If this is not possible, we thank you in advance for any support you may be able to give us in the coming year.

Sincerely,

A handwritten signature in cursive script that reads "Marilyn Dickinson".

Marilyn Dickinson, Secretary
West Barnet Senior Mealsite

Enclosures

WEST BARNET SENIOR MEALSITE

The new millennium has produced the usual hum of activity at the West Barnet Senior Mealsite. Many new faces have joined in the fellowship and lent a hand when asked.

There have been several changes this year. Kathy Davalos resigned from the kitchen the first of October. Audrey Bogie continues to serve as volunteer site manager. Susan Wood remains as cook and was recently joined again by Jean Berwick as part-time assistant cook. We found it necessary to request a suggested donation of \$2.50 per meal this fall. However we have received ongoing support from the Town of Barnet, the Town of Monroe and McIndoe Falls Academy Alumni Association as well as donated memorial gifts. Karne Cho-Ling again held a Contra Dance in Barnet for our benefit.

Karolyn Farman has retired as volunteer treasurer of our mealsite. Her position was taken over by Lloyd Jones in September. The West Barnet Church has been making renovations in the church basement. We now have a handicap accessible bathroom with future plans for an elevator giving access to the church upstairs. We have also received new dishes, pots and pans, and a silverware caddy as a result of our "wish list" presented to the Area of Aging and through the generosity of other people.

Our mealsite catered various affairs this year assisting in the McIndoe's Scottish Festival; Barnet Center Church dinner; and autumn stew prepared during Fall Foliage Days at the McIndoe Church. We also catered a dinner for the Area on Aging staff on October 26 during which time our mealsite was awarded a gift certificate along with the "Ambiance Award." We were again asked to provide a dinner for McLure's band at the Monroe Town Hall on December 9 and put on our annual chicken pie supper October 7. We observed "Jessie Stone Day" in August, held a flu clinic December 20 and celebrated with a Christmas party December 22.

There continues to be a need for homebound drivers. Temporary help is currently available but we still need someone to make a commitment of approximately two hours on either Wednesday or Friday of each week. We could not operate without the kind assistance of our volunteers. Their contribution is greatly appreciated.

Respectfully submitted,

A handwritten signature in cursive script that reads "Audrey Bogie". To the right of the signature, the words "per mail" are written in a smaller, less formal script.

Audrey Bogie, Site Manager
West Barnet Senior Mealsite

TRANSMITTAL AND COMMENTARY LETTER

Board of Selectmen
Town of Monroe
Monroe, New Hampshire 03771

Members of the Board:

In planning and performing our audit of the financial statements of the Town of Monroe, New Hampshire for the year ended December 31, 1999 we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we became aware of the following conditions that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated August 17, 2000 on the financial statements of the Town of Monroe, New Hampshire.

Our following remarks are being made in the hope that they will improve existing procedures and are in no way a criticism of Town personnel.

Property Tax Administration

The Tax Collector is doing a commendable job collecting property and other taxes on a timely basis. His efforts benefit the Town's cash flow and help to minimize the administrative cost of collections and lien filings.

During our review of property taxes we identified some recommendations to improve the administration of taxes, as outlined below:

1. *Total property valuations* – The total valuation of taxable utility and non-utility property was different among the Town's MS-1 (Summary of Inventory Valuation) filed with the State Department of Revenue Administration (DRA), the DRA's 1999 Tax Rate Calculation, and the Town's property tax blotter on which tax bills were based. Town officials were unaware why these discrepancies exist.

Recommendation – Through each step of the process of setting the property tax rate and issuing tax bills, the Selectmen and the Tax Collector should fully understand reasons for changes in valuations that occur. Specifically, when the DRA's rate

calculation arrives at the Town offices, the valuations shown should be reconciled to the valuations submitted to DRA on form MS-1, and the Selectmen should clearly agree that the reconciling items are appropriate. Valuations should be similarly reconciled between the tax blotter and the appropriate valuation identified in the first reconciliation described above.

2. *Annual Tax Collector's Report on Form MS-61* – This report is prepared annually for both taxes and tax liens. It starts with amounts owed the Town at the beginning of the year, adds new taxes committed by the Selectmen, and subtracts payments received and abatements to arrive at amounts owed the Town at the end of the year. The 1999 MS-61 contained a number of inaccuracies.

Recommendation – Once the report, which tracks taxes and liens separately, is complete, the Tax Collector should ensure that each amount in the report is supported by documents or detailed lists derived from the Tax Collector's accounting records. For example:

- ♦ Taxes committed, and added taxes, should be supported by warrants signed by the Selectmen
- ♦ Refunds of overpayments should be supported by a list of such overpayments that can clearly be traced back to cash disbursements records
- ♦ Tax receipts should agree with the Treasurer's cash receipts records
- ♦ Amounts converted to lien (taxes, interest, and penalties) should agree with the lien filed with the Registry of Deeds
- ♦ Abatements should be supported by properly authorized abatement notices
- ♦ Taxes receivable at the beginning and end of the year should agree with a list of taxes owed, detailed by taxpayer and type of tax.

Any differences between the MS-61 and the supporting accounting records will identify errors in one or both that need to be resolved before filing the report.

3. *Interest calculation* – After a property tax bill has been outstanding for 30 days, the Town charges interest at 12% per annum until paid or converted to lien. Actual interest charged on taxes converted to lien, based on the sample we tested, was lower than 12%.

Recommendation – Once the interest has been calculated for taxes converting to lien, consider having an independent person check the calculations for accuracy.

Trust Funds

1. *John A. and Edith D. Buffam Fund* – At yearend, the market value of the Buffam Fund exceeded \$550,000. Nearly 80% of this total was invested in two bank stocks.

Recommendation – The Trustees should consider diversifying the fund's investment portfolio into other equity securities to reduce the risk of a severe decline in value of one or both of the existing stocks, while potentially increasing the income and appreciation

potential of the portfolio. It may also be worthwhile hiring an investment manager to manage the fund's investments within broad objectives that would be set by the Trustees.

2. *Accounting for Nonexpendable Trust Funds* – Only the income earned from nonexpendable trust funds, such as cemetery trusts and the Buffam Fund, may be expended; the principal must remain in the fund. The Trustees annual report does not segregate principal and income, so it is not clear how much of each fund's total balance may be expended, especially when income goes unspent for a number of years.

This concern is compounded in the Buffam Fund, because appreciation in the value of equity securities held in principal should remain as part of principal. Only dividends and interest in this fund should be treated as income.

Recommendation – Principal and income for all nonexpendable trust funds should be tracked separately and cumulatively so that these two components of the fund total are clearly known and reported each year.

For the Buffam Fund, the Trustees should research, to the extent information is available, how much of the fund is attributable to principal and how much to income, and then account for them separately. Certain documentation suggests that some of the equity securities owned were bought with accumulated income, and as such, the related stock appreciation from that purchase would accrue to the income, not principal, account.

3. *Yearend Cutoff for Trust Fund Transactions* – In several instances, the yearend balances of certificates of deposit, money market accounts, and other deposit accounts differed from the amounts reported on the Trustees annual report to the state (MS-9). The two principal causes of differences were failure to reflect interest accrued to yearend (especially in the case of CDs maturing after yearend), and accounting for cash transfers out of the trust funds that did not occur until after yearend.

Recommendation – Interest on all deposit balances should be brought up to December 31 on the report each year. For CDs, the issuing bank can provide a statement as of yearend indicating the balance in the account, even if the CD has not matured.

Cash transfers out of the trust funds should be accounted for when they occur. If a transfer does not occur until after yearend, it should not be reflected in the report for the previous year.

Other Matters

1. *Tax Treatment of Yearend Bonus Checks* – Town employees' W-2s for 1999 reflected yearend bonuses as taxable for FICA purposes only, and not subject to federal income tax.

Recommendation – Cash bonus payments are ordinary income and are subject to federal income taxes. They should be reported as such on employees' W-2s.

Board of Selectmen
Town of Monroe

2. *Library Checking Account* – The library checking account was not reconciled at yearend, and the library report in the Town report did not reflect the proper yearend cash balance.

Recommendation – A representative of the library should, on a monthly basis, reconcile the bank statement to the cash balance maintained in the check register, and correct any errors that are discovered as a result. The annual library report should start with the cash balance at the beginning of the year (according to the check register), add receipts during the year, subtract disbursements during the year, to equal the cash balance at the end of the year (again, according to the check register, as reconciled to the bank statement).

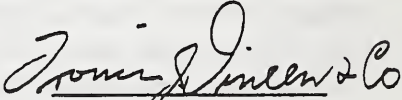

3. *Check-Signing Authority* – The Town requires only one signature (the Treasurer or any Selectman) on checks of any size.

Recommendation – As a control over cash disbursements, we recommend that two signatures be required on any check. As a practical alternative, multiple signatures may be required only on checks over a certain size.

Also, to best segregate cash disbursements authority from control over accounting records, we recommend that only the Treasurer and Selectmen be authorized check signers.

We extend our thanks to the officials and employees of the Town for their assistance during the course of our audit.

Very truly yours,

Francis J. Dineen & Co.

MONROE SCHOOL DISTRICT

SCHOOL WARRANT FOR 2001-2002 SCHOOL DISTRICT MEETING

To the inhabitants of the School District of Monroe in the County of Grafton, State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Monroe Town Hall in said District on Tuesday, the thirteenth (13th) day of March, 2001, polls to be open for the election of District Officers at 12:00 in the morning and to close not earlier than 6:00 in the afternoon. Action on all remaining articles to commence at 7:00 in the afternoon.

- ARTICLE I: To choose, by non-partisan ballot, a Moderator for the ensuing year.
- ARTICLE II: To choose, by non-partisan ballot, a School District Clerk for the ensuing year.
- ARTICLE III: To choose, by non-partisan ballot, a Treasurer for the ensuing year.
- ARTICLE IV: To choose, by non-partisan ballot, two School Board members for a term of three (3) years.
- ARTICLE V: To see if the district will vote to authorize the District Treasurer, with the approval of the school board, to appoint a Deputy Treasurer, as allowed under NH statutes section 197:24-a.
- ARTICLE VI: To see if the district will vote to raise and appropriate \$1,562,839.00 for the support of the schools, for payment of salaries for the school district officials and agents, and for the payment of statutory obligations of the district.
- ARTICLE VII: To transact any other business that may legally come before said meeting.

Given under our hands at said Monroe this 14th day of February, 2001.

Terry Hartshorn, Chair
Terry Gorham
Deborah Sanders-Dame
David Cowens
Keith Fortier

MONROE SCHOOL DISTRICT

MONROE SCHOOL BOARD

MINUTES OF THE MONROE SCHOOL DISTRICT MEETING

March 14, 2000

Monroe School District Polls opened at 12:00 noon and declared closed at 6:00 PM by Moderator Denis Ward. School District Meeting was opened by Moderator Denis Ward at 7:00 PM. Flag salute was led by Boy Scout Andre Sanders followed by the National Anthem by Kelly Yourison and Christina Kukhahn.

ARTICLE 1: Monroe School Moderator—elect Denis Ward with 156 votes and declared the winner. Write in Meryl Jones with 4 votes and Terry Gorham with 1 vote.

ARTICLE 2: Monroe School Clerk—elect Elizabeth Ward with 157 votes and declared the winner.

ARTICLE 3: Monroe School Treasurer—elect Laurel Gibson with 154 votes and declared the winner.

ARTICLE 4: Monroe School Board for a 3 year term—elect write in Keith Fortier and declared the winner. Write in Robert Regis with 14 votes and Winston Currier with 2 votes.

ARTICLE 5: To see if the district will vote to raise and appropriate \$1,188,570.00 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. The school board and budget committee recommend this appropriation. Robert Regis made motion to accept item as read and second by Dave Cowens. Item passed by voice vote.

ARTICLE 6: To transact any other business that may legally come before said meeting. Moderator made mention that on page two of School District Administrator report that the year should read 1999-2000 not as printed 1998-1999 school year.

Moderator spoke of out-going School Board member Robert Regis as follows: “ On March 8, 1988 a reluctant write-in candidate for the School board was elected. I’m not sure the reluctance has ever faded. However—in the 12 years since then this town has been fortunate to have Bob Regis as a member of that board.

Bob, On behalf of the rest of the board members, the school administration and teaching staff and the whole community I would like to thank you for the 12 years of dedication and service you have given to us. You have earned the respect of everyone who has had the opportunity to be associated with you in any way. You have brought an extremely high level of knowledge and intelligence to all board meetings. You have brought a steady influence and a voice of reason to every discussion. Your sense of humor has often

MONROE SCHOOL DISTRICT

brought relief from tension inherent with the considerable responsibilities of school board members. Your quiet leadership has helped to keep our school on an even keel. If you we had to pick one person as an example for our children to follow you surely would be near the top of the list. I cannot say enough in this short time to totally represent all you have done for this school but on behalf of the community I would like to present a plaque to you to show our appreciation for your 12 years of service.”

Mr. Micciche, District Administrator made comments about the rewarding and fun he has had this past year at Monroe School.

Motion to adjourn by Robert Regis and Seconded by Dave Cowens.

Moderator declared the meeting closed at 7:16 PM.

Respectfully Submitted
Elizabeth J Ward
School District Clerk

SCHOOL WARRANT FOR 2000-2001 SCHOOL DISTRICT MEETING

To the inhabitants of the School District of Monroe in the County of Grafton, State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Monroe town Hall in said District on Tuesday, the first day of August, 2000 commencing at 7:00 in the afternoon.

ARTICLE I: To see if the district will vote to raise and appropriate \$1,602,384 for the support of the schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. The School Board and budget committee recommend this appropriation. (This amount is inclusive of the sum or \$1,188,570, previously raised and appropriated on March 14, 2000, and represents the total operation budget for the 2000-2001 school year.)

Given under our hands at said Monroe this 12th day of July 2000.

MONROE SCHOOL DISTRICT

REPORT OF THE SUPERINTENDENT/PRINCIPAL FOR THE SCHOOL YEAR 2000

The Monroe School District entered its second full year as an independent School Administrative Unit with a functioning central office staff, an identity as a self-reliant school district, and a clearer focus on it's mission for the children of the community.

Few changes were made from the staffing and curricular organization from the prior year. The school lost a large eighth grade class of 21 students, and experienced a total population from Kindergarten through grade eight of 95 students during the school year. There were some substantive changes in the school's operating schedule this year, principally in the area of special subjects. Of note were the changes in the school's music program, which doubled the time for children participating in the school band and chorus. The additional exposure to the training and rehearsals provided by this change brought a more adept sense of performance for the participants, and afforded more opportunities for them to engage in performing activities during the school year.

Another program change involved block-scheduling the Family and Consumer Science program for grades seven and eight. This change allowed the students the opportunity to engage in extensive "lab" situations without being rushed. Consequently, the teacher was able to provide more detailed preparation and pre-teaching for each lesson, adequate time to prepare for the planned activities, and ample time to clean up the kitchens properly. The added production time provided more complex and well-prepared products of which were proudly shared from time to time throughout the school.

Several cultural events were brought into the school during the year to enrich the curricular programs. Michael Caduto, a noted author, story-teller, and folk performer brought his heritage and art to the students during their studies of native American cultures. Raimund Klecko, a professional mime actor, gave two stunning performances of his art of communications without words. The school was able to take advantage, through the Catamount Center for the Arts, of a group of performers who gave a concert and an extended workshop for the school chorus in the art and style of singing in the American gospel tradition, from spirituals to jubilees, using unique rhythms and harmonics. In the spring of 2000, the school received a grant from the Alliance for the Arts of Northern New Hampshire to bring Nina Asimakopulos, a professional flutist, to perform for the school. Ms. Asimakopulos also conducted a clinic for the members of the school band. She is a frequent performer in such prestigious venues as Carnegie Hall.

The school band and chorus had an opportunity to visit Boston and experience a major production of a professional performance of "The Phantom of the Opera." This was not a planned, budgeted event, and the students and parents engaged in fund-raising to support the cost o f the trip. A "Pie Social"

MONROE SCHOOL DISTRICT

was held, in which students displayed their talents for the many pleased guests who attended.

Aside from these enrichments events, the serious work of teaching and learning continued throughout the year for everyone in the building. The academic accomplishments of the student body for grades six through eight are reflected in the sizable number of students who achieved honor roll status during the year. The results of the New Hampshire Educational Improvement and Assessment Program (NHEIAP) tests indicate that the school is performing well above the state average when compared to other schools. The NHEIAP tests are not achievement tests, but measure the students' progress in grades three and six against the state's curriculum standards and frameworks. While there is no formal correlation between the NHEIAP tests and other standardized instruments, the students also scored proficiently on the Iowa Test of Basic Skills (ITBS), which was used for all grades last year. Since these tests take a great deal of time to arrange and administer, it was decided that the third and sixth graders would take only one test in the future instead of both. Therefore, the state-mandated NHEIAP tests will be used with those grades instead of the ITBS. Kindergarten will be tested only with a modified standardized instrument this year instead of the comprehensive ITBS, which proved to be somewhat burdensome for them last year.

To further illustrate the enhanced focus the faculty places on instruction, it was decided this year to cut the number of days in the winter recreation program from eight to six. The early financial failure of the Burke Mountain owners in the fall of the year cast a pall of anxiety over the program, but the subsequent sale and announcement of the ski area's resumption of service was appreciated by the staff, students, and parents who participated.

The school's general reading program is taught in the classrooms, but about ten percent of the students participated in the reading specialist's program, in small groups or in one-to-one instruction. Reading strengths and weaknesses were evaluated in the beginning of the year for those children who were recommended by the faculty for the reading support program, and the noted areas of need were concentrated on. One of the more persistent difficulties for problem readers is their lack of practice. These children would make far more progress, which is validated by their improvement in the regular classrooms and in their other subjects.

As I mentioned last year in my first report to the school district, I am continually delighted in the attitude, enthusiasm, cooperation, and warmth expressed by the children. The sense of respect for others, self-worth, and willingness to please are some of the most endearing traits of our children, and also some of the most substantive elements in their character which support their learning. Healthy, happy children learn better. A community that stands behind its school, its staff, and its children in so many ways is an exhilarating experience for a school administrator. Monroe Consolidated School should be

MONROE SCHOOL DISTRICT

justly proud of its fine traditions, and of the young people who pass thorough its doors each day of the school year.

Respectfully submitted,
Charles J. Micciche, District Administrator

REPORT OF HONORS & AWARDS 1999-2000 School Year

The following 1999-2000 graduates were honored on June 8, 2000:

April Aldrich	Catherine Gibson	Jillian Regis
Jessica Blanchard	Megan Gibson	Nicholas Stanton
Alison Cowens	Cara Gorham	Autumn Ward
Angela Dana	Tiffany Hartshorn	Katherine Ward
Denise Day	Brittney Holland	Thomas West
Kara Emerson	Celise Lapierre	Cameron Whitehead
Tod Frazer	Leilani Provencal	Kristina Yourison

HONORS AND AWARDS

Pierce Corey Memorial Award	Kori Chase
Merle Powers Memorial Award	Jillian Regis
Highest Honors in English	Cameron Whitehead
Highest Honors in Mathematics	Cara Gorham
Highest Honors in Science	Cameron Whitehead
Highest Honors in History	Kaitlin Ward
Most Improved Award	Alison Cowens
Highest Academic Average	Cara Gorham and Jillian Regis

HONOR ROLLS FOR THE 1999-2000 SCHOOL YEAR

HIGH HONORS (93 & above accumulative average of core subjects)

Craig Regis	Grade 6
Kevin Stanton	Grade 7
Paul Regis	Grade 7
Cara Gorham	Grade 8
Tiffany Hartshorn	Grade 8
Jillian Regis	Grade 8
Kaitlin Ward	Grade 8
Cameron Whitehead	Grade 8

HONORS (85 & above accumulative average of core subjects)

Raymond Chace	Grade 6
Spenser McKenna	Grade 6
Nicholas Blanchard	Grade 7
Kori Chase	Grade 7
Joe D'Elia	Grade 7
Kinsley Gibson	Grade 7
Jeramie McBey	Grade 7
Shane Ryan	Grade 7
Jackie Ward	Grade 7

REPORT OF THE SCHOOL NURSE

School Year 1999-2000

School year 1999-2000 began with screenings at the Monroe Clinic by Dr. DeFrahn. The school nurse as usual checked height, weight, percentiles, and blood pressures. At the Monroe Clinic a check for scoliosis, ears, nose, throat, heart and lung assessments are part of the screening with focus on preventive medicine and health education. Recommendations are done for follow up with student's own physician on any screening not within normal limits. Any student that plans on playing a school sponsored sport or cheerleading are required to have a screening done either by the Monroe Clinic or their own physician for that sport year.

Immunizations audit was completed and reported to the State Immunization Department. Parents were notified if updating on immunization for their child was needed. If your child has any communicable illness please let the school know. This way it will help us prevent and monitor any outbreaks of illnesses.

Hearing and vision screenings were accomplished and referrals made when appropriate.

Monroe Consolidated School is a school we can be very proud of and all of you have to take credit for the hard work and positive way you have contributed. A heart filled thank-you to students, staff, parents and community members for your assistance and support to the school health program.

Respectfully submitted,
Gayle Wormer, RN
